

OUR WORLD AT WAR

Photojournalism Beyond
the Front Lines

Photo Exhibit &
Event Series

The International Committee of the Red Cross sent five award-winning photojournalists to eight countries-Afghanistan, Colombia, the Democratic Republic of Congo, Georgia, Lebanon, Liberia, Haiti and the Philippines- to capture how war and armed violence have affected people's lives. The result is this series of haunting and hopeful images which reveal the loneliness, joy, despair and dignity in those left behind.

Photo exhibit runs June 26~August 15, 2010.
